Now we have a new group wanting to attend this unique training. You can serve these folks! We need childcare for the next three Wednesday evenings from 6:30-8:30pm. Call a fellow alumni, sign up and come to give a helping hand watching children so their parents can freely enjoy this course. Sign up in the church foyer or call Pastor David Nelson.

This will be the last Construction Update

Although we are 99.9% done, we are not yet able to use the facility for official regular activities. The two key issues keeping us from obtaining a Certificate of Occupancy are:

1. Waiting for “panic” hardware for a few more doors (these will arrive this week).
2. A successful sprinkler system test. The fire monitoring/sprinkler system is fully operational and functional, but we are working with the City to provide an adequate water supply to this system.

Building Project Update July 5

Recent Accomplishments:

- ◆ Elevator installation complete (use will be delayed pending inspection)
- ◆ Masonry/drywall/finishes around elevator
