### Parents of Children (Infants to 6th graders)

You are invited to an open discussion meeting on Monday,  
November 9th at 7:00 pm in the Fellowship Hall.

Sponsored by the Children's Commission.

As a church we talk about "making disciples for Jesus Christ". What does that look like when it comes to our kids? The Children's Commission is just beginning the process of seeking the answer to this question. Our first step is to ask parents. We would like to invite you to an open discussion on this subject. Here are a few things we will talk about...

- ◆ What does it mean for us to disciple our children/help them to build a relationship with Jesus?
- ◆ What are some things you do as a family to focus on God (Bible, prayer, worship, service, church, stewardship, sharing your faith)?
- ◆ What would you like to see that would help you as a parent in this area of discipleship?
- ◆ How can the family and the church partner together on this exciting journey?

Please come prepared to just listen or share your thoughts. Childcare and dessert will be provided. If you have any questions or comments, please contact Pastor Wendy.

**The Swine Flu** certainly is in the news and on our minds.

It does represent some risk to our health and yet many of us older adults have probably been exposed to it in the past and have some resistance to it. Children and young adults are at greater risk and that can cause some real anxiety. We can deal with this by keeping ourselves informed and taking precautions that we know can help. We can first of all, ask our God to keep our families and faith community safe from this illness and to keep our perspective regarding it in balance. Our worry will not alter what it will do or who will get it. We have no control over when or in what quantities the vaccine will be available. What we can do is avail ourselves of the most practical, common sense, and yet intelligent advice to combat this threat and use it. We have also made hand sanitizing solution even more available throughout the building to include where we enter the Sanctuary.
